WORK EXPERIENCE

2018-05 TILL TODAY

Customer Support Agent at [LocalBitcoins Oy \(Turku, Finland\):](#)

My duties include assisting customers in the correct use of the LocalBitcoins' web platform, explaining basics of Blockchain technology and providing information regarding the web services.

- Categorising customer support tickets
- Day-to-day communication with customers to address their needs
- Writing a daily report

2016-04 TILL 2016-06

Paid Trainee at [Baltic Region Healthy Cities Association \(Turku, Finland\):](#)

My involvement included the development of project application, participation in international study visits, execution of international health promoting projects.

- Preparation and execution of international projects and applications
- Day-to-day communication with project beneficiaries
- Translation of marketing materials
- Office work

2011-12 TILL 2013-05

Scientific Researcher at Immanuel Kant Baltic Federal University (Kalinigrad, Russia):

I participated in several international scientific projects. In addition I was involved in educational methodical complex development and sociological surveys.

- Running field interviews for further analysis of collected data
- Development and delivery of lectures to project actors
- Document analysis (regional, federal and international mass media)
- Active participation in study visits - developing collaboration and share of experience

2009-09 TILL 2009-12

Project Manager at NGO Centre Youth for Freedom of Speech (Kalinigrad, Russia):

This position implied the realisation of a project developed by Charity Children's Fund 'Victoria' to support orphans. I worked as a project manager and contributed to project via team building and event development.

- Preparatory workshop for potential volunteers: group activities, problem-solving tasks, and beneficiary-oriented behaviour
- Development of website for volunteers and dissemination of necessary information among them
- Monitoring volunteers' activities
- Invitation of guest lectures, dance teachers, photographers to hold various workshops for orphans

**'REAL/
VIRTUAL'
FESTIVAL (LONDON,
UK)**

2017-07-22 TILL 2017-07-25

'REAL/ VIRTUAL' is the launch of a 5 month programme of events which explore the boundaries of reality and virtuality. This festival featured exhibitions, installations, performances and workshops.

- Providing excursions
- Translation and interpreting

**NATIONAL CENTRE
OF CONTEMPORARY
ARTS
(KALININGRAD,
RUSSIA)**

2012-05 TILL 2012-07

The aim of Kaliningrad Branch of NCCA is to implement the state cultural policy on contemporary art through exhibition, collecting, information, education and research activities both in Russia and abroad.

- Collecting material and data for the excursions
- Installation preparation
- Running excursions
- Translation and interpreting
