WORK EXPERIENCE

2016-04 TILL 2016-06

Paid Trainee at Baltic Region Healthy Cities Association (Turku, Finland)

My involvement included the development of project application, participation in international study visits, execution of international health promoting projects.

- Preparation and execution of international projects and applications

- Day-to-day communication with project beneficiaries

- Translation of marketing materials

- Office work

2011-12 TILL 2013-05

**Scientific Researcher at
Immanuel Kant Baltic Federal University (Kalinigrad, Russia)**

I participated in several international scientific projects. In addition I was involved in educational methodical complex development and sociological surveys.

- | Running field interviews for further analysis of collected data
- | Development and delivery of lectures to project actors
- | Document analysis (regional, federal and international mass media)
- | Active participation in study visits - developing collaboration and share of experience

2009-09 TILL 2009-12

**Project Manager at
NGO Centre Youth for Freedom of Speech (Kalinigrad, Russia)**

This position implied the realisation of a project developed by Charity Children's Fund 'Victoria' to support orphans. I worked as a project manager and contributed to project via team building and event development.

- | Preparatory workshop for potential volunteers: group activities, problem-solving tasks, and beneficiary-oriented behaviour
- | Development of website for volunteers and dissemination of necessary information among them
- | Monitoring volunteers' activities
- | Invitation of guest lectures, dance teachers, photographers to hold various workshops for orphans

EDUCATION
