## WORK EXPERIENCE

**2016-04 TILL 2016-06**

**Paid Trainee at [Baltic Region Healthy Cities Association \(Turku, Finland\)](#):**

My involvement included the development of project application, participation in international study visits, execution of international health promoting projects.

- Preparation and execution of international projects and applications

- Day-to-day communication with project beneficiaries

- Translation of marketing materials

- Office work

**2011-12 TILL 2013-05**

**Scientific Researcher at [Immanuel Kant Baltic Federal University \(Kalinigrad, Russia\)](#):**

I participated in several international scientific projects. In addition I was involved in educational methodical complex development and sociological surveys.

- Running field interviews for further analysis of collected data

- Development and delivery of lectures to project actors

- Document analysis (regional, federal and international mass media)

- Active participation in study visits - developing collaboration and share of experience

2009-09 TILL 2009-12

**Project Manager at NGO Centre Youth for Freedom of Speech  
(Kaliningrad, Russia):**

This position implied the realisation of a project developed by Charity Children's Fund 'Victoria' to support orphans. I worked as a project manager and contributed to project via team building and event development.

Preparatory workshop for potential volunteers: group activities, problem-solving tasks, and beneficiary-oriented behaviour

Development of website for volunteers and dissemination of necessary information among them

Monitoring volunteers' activities

Invitation of guest lectures, dance teachers, photographers to hold various workshops for orphans

**'REAL/  
VIRTUAL'  
FESTIVAL (LONDON,  
UK)**

2017-07-22 TILL 2017-07-25

'REAL/ VIRTUAL' is the launch of a 5 month programme of events which explore the boundaries of reality and virtuality. This festival featured exhibitions, installations, performances and workshops.
