WORK EXPERIENCE

2016-04 TILL 2016-06

Paid Trainee at [Baltic Region Healthy Cities Association \(Turku, Finland\)](#):

The Baltic Region Healthy Cities Association aims at increasing awareness of the local governments to take health as a central part in the decision making process in the cities belonging to the WHO Healthy Cities Networks.

- Preparation and execution of international projects and applications

- Day-to-day communication with project beneficiaries

- Office work

2011-12 TILL 2013-05

Scientific Researcher at [Immanuel Kant Baltic Federal University \(Kalinigrad, Russia\)](#):

The strategic goal of the IKBFU is to increase and secure competitiveness in the national and global markets of university education and R&D. I participated in several international scientific projects. In addition I was involved in educational methodical complex development, sociological surveys and general office work.

- Running field interviews for further analysis of collected data

- Development and delivery of lectures to project actors

- Document analysis (regional, federal and international mass media)

- Active participation in study visits - developing collaboration and share of experience

2009-09 TILL 2009-12

**Project Manager at NGO Centre Youth for Freedom of Speech
(Kaliningrad, Russia):**

This position implied the realisation of a project developed by Charity Children's Fund 'Victoria' to support orphans. I worked as a project manager and contributed to project via team building and event development.

Preparatory workshop for potential volunteers: group activities, problem-solving tasks, and beneficiary-oriented behaviour

Development of website for volunteers and dissemination of necessary information among them

Monitoring volunteers' activities

Invitation of guest lectures, dance teachers, photographers to hold various workshops for orphans

**'REAL/
VIRTUAL'
FESTIVAL (LONDON,
UK)**

2017-07-22 TILL 2017-07-25

'REAL/ VIRTUAL' is the launch of a 5 month programme of events which explore the boundaries of reality and virtuality. This festival featured exhibitions, installations, performances and workshops.

Providing excursions

Translation and interpreting

**NATIONAL CENTRE
OF CONTEMPORARY
ARTS
(KALININGRAD,
RUSSIA)**

2012-05 TILL 2012-07

The aim of Kaliningrad Branch of NCCA is to implement the state cultural policy on contemporary art through exhibition, collecting, information, education and research activities both in Russia and abroad.

Collecting material and data for the excursions

Installation preparation

Running excursions

Translation and interpreting
