## WORK EXPERIENCE

2016-04 TILL 2016-06

**Paid Trainee** at [Baltic Region Healthy Cities Association \(Turku, Finland\)](#):

The Baltic Region Healthy Cities Association aims at increasing awareness of the local governments to take health as a central part in the decision making process in the cities belonging to the WHO Healthy Cities Networks.

- Preparation and execution of international projects and applications

- Organization and conducting negotiations

- Day-to-day communication with project beneficiaries (terms, dates, activities) and project implementing institutions (project plan, quality control, feedback, post-project analysis, follow up activities)

- Office work

2011-12 TILL 2013-05

**Scientific Researcher at Immanuel Kant Baltic Federal University (Kalinigrad, Russia):**

The strategic goal of the IKBFU is to increase and secure competitiveness in the national and global markets of university education and R&D in line with the breakthrough achievements in the field of biomedical, neuro-, nanotechnology as well as in social sciences and the humanities. I participated in several international scientific projects. In addition I was involved in educational methodical complex development, sociological surveys and general office work.

- Running field interviews for further analysis of collected data

- Development and delivery of lectures to project actors

- Document analysis (regional, federal and international mass media)

- Active participation in study visits - developing collaboration and share of experience

2009-09 TILL 2009-12

**Project Manager at NGO Centre Youth for Freedom of Speech (Kalinigrad, Russia):**

This position implied the realisation of a project developed by Charity Children's Fund 'Victoria' to support orphans. I worked as a project manager and contributed to project via team building and event development.

- Preparatory workshop for potential volunteers: group activities, problem-solving tasks, project roles and beneficiary-oriented behaviour

- Development of website for volunteers and dissemination of necessary information among them

- Monitoring volunteers' activities

- Invitation of guest lectures, dance teachers, photographers to hold various workshops for orphans

**'REAL/  
VIRTUAL'  
FESTIVAL (LONDON,  
UK)**

2017-07-22 TILL 2017-07-25

'REAL/ VIRTUAL' is the launch of a 5 month programme of events which explore the boundaries of reality and virtuality. This festival featured exhibitions, installations, performances and workshops.

- Providing excursions

- Translation and interpreting

NATIONAL CENTRE  
OF CONTEMPORARY  
ARTS  
(KALININGRAD,
