WORK EXPERIENCE

2019-03 TILL TODAY

AML Investigator at [LocalBitcoins Oy \(Helsinki, Finland\):](#)

My responsibility lies in the investigation and prevention of Money Laundering cases on the LocalBitcoins platform.

- Investigation of complex Money Laundering cases
- Analysis of customer behaviour data for AML protection
- Communicating with and moderating customers who may pose an AML risk

2018-05 TILL **2019-03**

Customer Support Agent at [LocalBitcoins Oy \(Helsinki, Finland\):](#)

My duties include assisting customers in the correct use of the LocalBitcoins' web platform and solving any issues that arise.

- Categorising and solving customer support tickets
- Educating customers in the basics of Blockchain
- Writing a daily report

2016-04 TILL **2016-06**

Paid Trainee at [Baltic Region Healthy Cities Association \(Turku, Finland\):](#)

My involvement included the development of project applications, participation in international study visits, execution of international health promoting projects.

- Preparation and execution of international projects and applications
- Day-to-day communication with project beneficiaries
- Translation of marketing materials

2011-12 TILL 2013-05

Scientific Researcher at Immanuel Kant Baltic Federal University (Kalinigrad, Russia):

I participated in several international scientific projects. In addition I was involved in educational methodical complex development and sociological surveys.

- | Running field interviews for further analysis of collected data
- | Development and delivery of lectures to project actors
- | Document analysis (regional, federal and international media)
- | Active participation in study visits

2009-09 TILL 2009-12

Project Manager at NGO Centre Youth for Freedom of Speech (Kalinigrad, Russia):

My role was as a project manager, contributing to team building and event development for the Charity Children's Fund 'Victoria' to support orphans.

- | Preparatory workshop for potential volunteers: group activities, problem-solving tasks, and beneficiary-oriented behaviour
- | Monitoring volunteers' activities
- | Invitation of guest lectures, dance teachers, photographers to hold various workshops for orphans

**'REAL/
VIRTUAL'
FESTIVAL (LONDON,
UK)**
