Work Experience

2018-05 TILL TODAY

Customer Support Agent at LocalBitcoins Oy (Helsinki, Finland):

My duties include assisting customers in the correct use of the LocalBitcoins' web platform and solving any issues that arise.

- Categorising and solving customer support tickets
- Educating customers in the basics of Blockchain
- Writing a daily report

2016-04 TILL 2016-06

Paid Trainee at Baltic Region Healthy Cities Association (Turku, Finland):

My involvement included the development of project applications, participation in international study visits, execution of international health promoting projects.

- Preparation and execution of international projects and applications
- Day-to-day communication with project beneficiaries
- Translation of marketing materials

2011-12 TILL 2013-05

Scientific Researcher at Immanuel Kant Baltic Federal University (Kalinigrad, Russia):

I participated in several international scientific projects. In addition I was involved in educational methodical complex development and sociological surveys.

- Running field interviews for further analysis of collected data
- Development and delivery of lectures to project actors
- Document analysis (regional, federal and international media)
- Active participation in study visits

2009-09 till 2009-12

Project Manager at **NGO Centre Youth for Freedom of Speech (Kalinigrad, Russia):**

My role was as a project manager, contributing to team building and event development for the Charity Children's Fund 'Victoria' to support orphans.

- Preparatory workshop for potential volunteers: group activities, problem-solving tasks, and beneficiary-oriented behaviour
- Monitoring volunteers' activities
- Invitation of guest lectures, dance teachers, photographers to hold various workshops for orphans

'REAL/ VIRTUAL' Festival (London, UK)

2017-07-22 till 2017-07-25

'REAL/ VIRTUAL' is the launch of a 5 month programme of events which explore the boundaries of reality and virtuality. This festival featured exhibitions, installations, performances and workshops.
